23. PREVENTATIVE MAINTENANCE

See individual fabric or hide samples or catalog for cleaning codes and maintenance guidance for frames and finishes.

24. SPECIAL ATTRIBUTES SUCH AS ENVIRONMENTAL ATTRIBUTES.

- Kiln dried 5/4" hardwoods sourced from non rainforest managed plantations and laminates comprise the frame which is guaranteed for the life of the original owner.
- Standard seat cushion is constructed of environmentally safe, fire retardant (CA117) foam surrounding recycled steel springs sewn into a fiber filled, channeled, down-proof, ticking case for superior comfort and durability.
- Standard loose back is a combination of 50% fiber mixed with 50% feathers composed of 75% duck feathers and 25% duck down enclosed in a 4 baffle, 3 channel, down-proof, ticking bag for superior comfort and loft.
- All fabric is applied standard in a complete 4-way match where all patterns are matched both horizontally and vertically. All fabric is applied standard Up The Bolt.
- All leathers are applied with as few seams as possible. However, depending on the hide provided and the size of the part to be applied, seams will be included and unavoidable.
- All welts are cut on a true bias for a cleaner finish.
- All seat decks are self covered for a more elegant finish.
- Tight backs are either supported with sewn recycled springs into a Marshall Unit (Custom Line) or continuous recycled wire springs (all other lines)
- Individually 8-way, hand tied, recycled, tempered steel, coil springs are hand placed into frames. In some cases where the cavity will not allow, sinuous, recycled steel spring or webbing will be used.

- Most legs and exposed wood are made from solid maple stock which enhances the beauty of Kravet finishing.
- Most legs are built into the frame. Some legs are removable. Both methods provide extended durability.
- Levelers are added to all skirted pieces.
- All ferrels or casters are made from nickel or antiqued solid brass.
- Joints and corner blocks are glued, screwed and double dowelled.
- Multiple or long seat cushion styles include center applied tie downs.
- All Kravet furniture components meet or exceed CAL TB117.
- All furniture, fabric and hides meet the EPA Primary Metals Free Item criteria meaning they are free of cadmium, lead and/or mercury; chemicals included on the “31 Priority Chemical List.”
